Dear Local Business Leader:

Guardian HEALS is a local 501(c) (3) nonprofit organization dedicated to saving pets' lives by making it possible for them to receive life-saving veterinary care when their families can't afford it--right here in your own community.

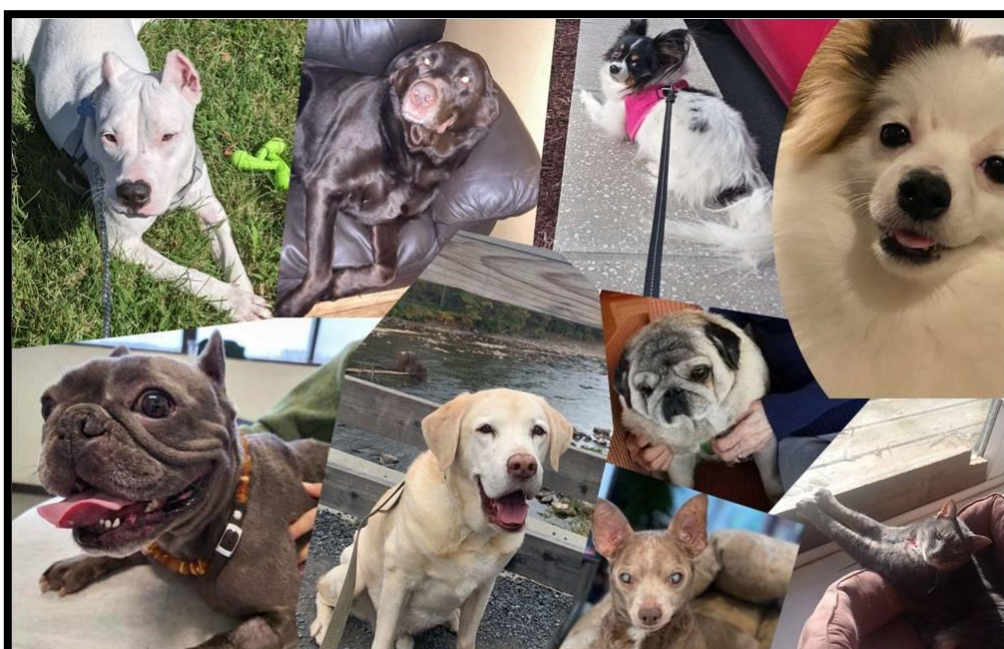

You may have heard of the human-companion animal bond and how important pets are to the families who love them. You can imagine the emotional pain, stress and heartbreak when owners have to watch their furry friends suffer because they lack money to pay for critical veterinary medical or surgical services. It's even worse when they have to face giving up their dear pet or putting it to sleep. Our financial aid—paid directly to veterinary hospitals--turns the heartbreak of losing a cherished animal companion into the hope of enjoying more quality time together.

Won't you please consider helping us continue our life-saving work by supporting our upcoming ***"Boots, Bandanas and Best Pet Friends"*** country western fundraiser? The shindig will include dinner, costumes, music, dancing, raffles, a silent auction--and more--on Thursday, November 19th, 6:30 p.m. at Mulino's at Lake Isle in Eastchester, NY. We would greatly appreciate your sponsorship or donation of a silent auction item, raffle prize or a themed gift basket. We hope you will join us in keeping people and pets together longer! Thank you.

Sincerely,
The HEALS Team
